

Thank You

Thank you to these generous donors who made contributions in support of Wentworth-Douglass Hospital's life-saving mission between October 1, 2018 and December 31, 2019.

1906 HERITAGE SOCIETY

Wentworth-Douglass Hospital was first established thanks to a large bequest from the estate of Arioeh Wentworth in 1906. Since then, gifts made through our supporters' estates have provided vital funding for the hospital's life-saving mission. The 1906 Heritage Society recognizes those who continue this legacy by naming the hospital as a beneficiary of a will, retirement plan, donor-advised fund or life insurance policy; or establish a charitable gift annuity or trust.

If you have included Wentworth-Douglass in your estate plans, please contact Cristine More at Cristine.More@wdhospital.org or by phone at (603) 609-6207. We would like to welcome you to the 1906 Heritage Society.
