

Thank You

Thank you to these generous donors who have made annual fund contributions in support of Wentworth-Douglass Hospital's life-saving mission between January 1 and September 30, 2017.

1906 HERITAGE SOCIETY

Wentworth-Douglass Hospital was first established thanks to a large bequest from the estate of Arioeh Wentworth in 1906. Since then, gifts made through our supporters' estates have provided vital funding for the hospital's lifesaving mission. The 1906 Heritage Society recognizes those who continue this legacy by naming the hospital as a beneficiary of a will, retirement plan, donor-advised fund or life insurance policy; or establish a charitable gift annuity or trust.

If you have included Wentworth-Douglass in your estate plans, please let the Foundation Office know, by calling us at (603) 740-2687 or emailing Foundation@wdhospital.com. We would like to welcome you to the 1906 Heritage Society.
